Dear Beneficiaries (Present and Past),

We are in the process of completing the termination of Mom's "Emma Cook Trust". We have retained Mr. Brett Gilman of Chico as our attorney to assist in the legal aspects of completing this task. We hope to have it all completed by the end of the year. He has indicated that he will be contacting each of you to notify you of this action.

As you know, the house here at 1408 Broadway is presently owned by the trust. We are in the process of getting updated appraisals to establish the current value and I currently expect to buy it from the trust when all is said and done.

Have a great day!

Joe
