Hi Cindy,

Things are moving along in your father's estate. Richard has talked to your uncle, Joe Cook, about The Emma Cook Trust and your father's interest in that trust. Joe is gathering information and will provide that to Richard.

We are also working on the identification of your father's personal property, specifically, the Gyro. For this, we need your help.

Do you have photos of the actual Gyro? Has the Gyro been sold, transferred, or donated?

Please call next week so that we can decide how to describe and value the Gyro to the court.

Have a great weekend!

Christine Denn,
Paralegal to Richard S. Matson
